## **Proposal for resolution on authorization regarding issues**

The board of directors of Polygiene AB, Reg. No. 556692-4287, proposes that the annual shareholders' meeting on 11 May 2022 resolves to authorize the board of directors, up until the next annual shareholders' meeting, at one or several occasions, with or without deviation from the shareholders' preferential rights and with or without provisions regarding contribution in kind, set-off or other conditions, to issue shares, convertibles and/or warrants. The reason for why a deviation from the shareholders' preferential rights should be possible is to enable the company to source working capital, to be able to execute acquisitions of companies or operating assets as well as to enable new issues to industrial partners within the framework of partnerships and alliances.

The total number of shares that may be issued (alternatively be issued through conversion of convertibles and/or exercise of warrants) pursuant to the authorization shall not exceed 4,058,554 shares, which corresponds to a dilution of approximately 10 per cent calculated on the current number of shares.

In case the authorization is used for a new issue with deviation from the shareholders' preferential rights, the issue shall be made on market terms.

---

For a valid resolution, the proposal has to be supported by shareholders representing at least two-thirds of the votes cast as well as of all shares represented at the meeting.

The company's CEO shall be authorized to make minor formal adjustments of the resolution which may be required for registration with the Swedish Companies Registration Office (Sw. Bolagsverket).
